

THE GENERAL SAFETY INSTRUCTIONS

JULPE-esittelykohde

Puutarhakatu 3

00100 Helsinki

JULPE EMERGENCY PLAN

<https://m.fimx.fi/JULPE/julpe/demo/en>

IN EMERGENCY CALL

112

FIRE

- **RESCUE** yourself and others in danger.
- **WARN** the ones in danger.
- **CALL 112.**
- **EXTINGUISHE** the fire, if it's safe to do so.
- **LIMIT.** Close the windows, the doors and the ventilation.
- **GUIDE** the help visibly to the location.

STAIRWELL

DO NOT go to smoky stairwell

ELEVATOR

DO NOT use the elevator during a fire

AN EMERGENCY WARNING

- Move indoors and stay inside.
- Avoid the underground levels as the poisonous gases can build up to basement levels.
- Close the doors and the windows, stop the mechanical ventilation (find the location in advance).
- Listen to radio or TV for additional guiding.
- Avoid using the phone, so the lines would not get blocked.
- Indoors you are safe.
- Do not leave the area unless the authorities are advising to do so.
